## NEW FOR THIS YEAR

### New Dates (March 11-21, 2020)

The BCA Pool League World Championships will now be held in an earlier and cooler time of year in Las Vegas as part of the CueSports International Expo. The feedback about this date change has been overwhelmingly positive and we are confident that you will enjoy Las Vegas much more in March than the previous July timeframe.

### No Male/Female Requirement for Scotch Doubles

Due to overwhelming feedback and having FargoRate to accurately rate players, the male/female requirement for scotch doubles has been eliminated. Scotch doubles teams may consist of male/female, male/male or female/female.

### Pro Events Return

Predator and CueSports International (CSI) are excited to announce the return of the \$100k added Predator World 10-Ball Championship and the \$25k added Diamond Las Vegas Open during the BCA Pool League World Championships. These events were a huge success in 2019 and you will get to enjoy them again in 2020. They will be played on 9-ft Diamond pool tables in the Pavilion Ballroom of the Rio Convention Center and will be free to watch in person.

### Dress Code

All events will follow Dress Code A (See the BCA Pool League 2020 Tournament Regulations) unless otherwise specified.

### Fargo Ratings

FargoRate has replaced the outdated systems of subjectively classifying players as Open-Advanced-Master, A-B-C, 3-4-5, etc. Players with at least 200 games of data in the FargoRate system have an established rating. Those with fewer than 200 games have a preliminary rating based on any data in the FargoRate system and a starter rating assigned by the BCA Pool League.

**Example:** John has a Fargo Rating of 593 based on just 50 games. He was assigned a starter rating of 560 by the BCA Pool League. John's preliminary rating would be calculated by a proportional combination of the two numbers ( $593 \times 25\%$ ) + ( $560 \times 75\%$ ). Therefore, John's preliminary rating would be 568. Starter ratings may be adjusted by the BCA Pool League at any time.

### Rating Reviews

Mistakes happen. Therefore, we carefully review the ratings of all players who register. This process takes time and **we reserve the right to adjust starter ratings and correct errors at any time.** To avoid late rating issues, we encourage you to register early and make sure your rating and your teammate's ratings reflect actual skill level. **Any type of rating correction is not grounds for a refund.**

**Please Note:** You may register anytime. There is no need to wait until you actually reach the minimum eight (8) weeks of play requirement (discussed later) to register. So please, **REGISTER EARLY.**

### Rating Penalties

Each division has a team and/or individual rating cushion to allow for minor and natural rating increases after registration. If a rating naturally increases beyond the cushion, game penalties may be applied. If a player or team has incurred a game penalty, the opponent will race to one game less. If both teams in a match have been penalized, the penalty in that match will be the difference between the two penalties. For example, if Team A has a one-game penalty and Team B has a two-game penalty, Team B will incur a one-game penalty in that match. If both teams have a one-game penalty, there will be no penalty.

**Please Note:** The rating cushion applies only to ratings that have naturally increased as a result of additional data in FargoRate. A change or correction of a starter rating is not a natural increase.

### Don't Get Disqualified

We take player ratings very seriously. A player who intentionally enters an event with a rating that is too low for his or her ability, is cheating. Be aware that we have tools in place to monitor players who are consistently and significantly performing above their rating during the event. We reserve the right to disqualify any player without refund. Don't get disqualified. If you believe you are underrated, contact the BCA Pool League prior to the registration deadline.

### Ladies Events

While ladies divisions are offered, FargoRate provides the opportunity for ladies to compete on a level playing field against men. A lady rated 450 plays at the same level as a man rated 450. Therefore, ladies are welcomed and encouraged to participate in all divisions.

### Start Times & Format

Divisions may begin as early as 9am on the dates listed. However, various factors could delay start times and a delayed start is not grounds for a refund. Always check the tournament brackets at [www.ctsondemand.com](http://www.ctsondemand.com) for the exact start time of your match or ask the Tournament Director. All divisions are true double elimination format unless otherwise noted.

### Plan Your Travel Carefully

We encourage you to allow plenty of time before and after the event for travel. The BCA Pool League is not responsible for airline delays, lost luggage, traffic jams or any other travel-related issue that could cause you to miss your match and be forfeited. Matches are not delayed or accelerated to accommodate travel issues. Therefore, you are advised to arrive no later than the day before your division(s) begin and leave no sooner than the day after the event ends.

### How to Avoid Forfeits

Each year, people forfeit matches because they do not follow the correct procedures. Matches are not announced at the event and there may be occasions when your table is not available at the scheduled time because earlier matches are running late. You are responsible to be at your assigned table when it becomes available. Please review Appendix A – Using CTS (CueSports Tournament System) and the BCA Pool League Tournament Regulations. These documents detail the process of avoiding forfeits. If you still need help, please ask the Tournament Director. Being forfeited as a result of not following the correct procedures (see the Golden Rule below) is not grounds for a refund or a credit.

**Golden Rule:** If you are at your assigned table at the scheduled match time and do not leave, you cannot be forfeited.

### Match Conflicts

You may want to play in as many divisions as possible to get the most out of the experience. Therefore, participants are free to register for divisions that overlap. However, the BCA Pool League is only able to schedule around select overlapping divisions as noted in the table below. If match conflicts occur that are not specified in the second column below, the player or team must forfeit one of the conflicting matches without refund.

## SCOTCH DOUBLES

Check-in is not required for scotch doubles divisions. However, it is your responsibility to know when and where you play! Roster change requests must be made at the BCA Pool League Registration Desk by noon on Wednesday, March 11 and final league standings and/or other documents are required.

### Eligibility

- There is no male/female requirement. Teams may consist of male/female, male/male or female/female.
- Both teammates must be current members of a BCA Pool League upon registration and play a minimum of eight (8) full scheduled weeks in a single division session during the 2019 calendar year (Jan 1 – Dec 31, 2019).
- No person (male or female) may be rated higher than 720 at the time of registration.

### Team Rating Increases

There is a 20-point team rating cushion. If a team is eligible for a specific division at the time of registration, but one or more members' ratings naturally increase to push them over the limit plus the cushion, it has the following options:

- Option 1: Move up into the next division (if possible) and pay any difference in entry fees
- Option 2: Replace one (1) player to get back within the division limit (must still meet all other eligibility requirements)
- Option 3: Play and accept a one-game penalty in each match for every 50 points over the cushion

**Example:** A Gold Scotch Doubles team is below the 1,100 limit at the time of registration but their rating naturally increases to 1,118 (18 pts. over the limit) – there is no penalty in the match because it did not exceed the 20-point team rating cushion. If their rating naturally increases to 1,152 (32 pts. over the cushion), they will incur a one-game penalty in each match.

### Individual Rating Increases

There is a 10-point individual rating cushion. If a person is rated 720 or lower at the time of registration, but his or her rating naturally increases over the limit plus the cushion, the team has the following options:

- Option 1: Replace the player (must still meet all other eligibility requirements)
- Option 2: Play and accept a one-game penalty in each match for every 25 points over the cushion

**Example:** A player has a rating of 717 at the time of registration but it naturally increases to 735 afterwards (5 pts. over the cushion), the team will incur a one-game penalty in each match. If the same player's rating increases to 758 (28 pts. over the cushion), the team will incur a two-game penalty in each match.

### Divisions (teams may be male/male, male/female, female/female)

Non-league members are not eligible for these divisions but may play the CSI Singles divisions, Diamond Las Vegas Open or the Junior divisions.
- Ladies divisions are open to female players only. All other divisions are open to male and female players.
- For Ladies divisions, no lady may be rated higher than 660 at the time of registration. For all other divisions, no person may be rated higher than 720 at the time of registration.

- Junior Singles divisions do not require any type of membership or league play requirements.

### Individual Rating Increases

There is a 10-point individual rating cushion. If a person is rated 720 (660 for Ladies Singles) or lower at the time of registration, but his or her rating naturally increases above 730 (670 for Ladies Singles), he or she has the following options:

- Option 1: Move to another division (if possible) and pay any difference in entry fees  
 Option 2: Play and accept a one-game penalty in each match for every 25 points over 730 (or 670)

**Example:** A player has a rating of 717 at the time of registration but it naturally increases to 735 (5 pts. over the cushion), he or she will incur a one-game penalty in each match. - Each member must have his or her own team shirt. Borrowing the shirt of a teammate is not permitted.

### Eligibility

- All players must be current members of a BCA Pool League upon registration and play a minimum of eight (8) full scheduled weeks in a single division session during the 2019 calendar year (Jan 1 – Dec 31, 2019).

### Core Roster & Substitutions

The "core" roster is used to determine the total team rating. Players designated as substitutes may not replace a lower-rated core player during competition.

### Team Rating Increases

There is a 10-point per core player team rating cushion. If a team is eligible for a division at the time of registration but one or more members' ratings naturally increase to push them over the limit plus the cushion, it has the following options:

- Option 3: Play and accept a one-game penalty in each match for every 50 points over the cushion

**Example:** A Platinum 8-Ball Team is below the 3,000 limit at the time of registration but their team rating naturally increases to 3,093 (43 pts. over the cushion). They will incur a one-game penalty in each match. If their rating naturally increases to 3,127 (77 pts. over the cushion), they will incur a two-game penalty in each match.

### Individual Rating Increases

**Example:** A male has a rating of 716 at the time of registration but it naturally increases to 735 (5 pts. over the cushion), the team will incur a one-game penalty in each match. ## CUESPORTS INTERNATIONAL (CSI) DIVISIONS

Check-in for singles divisions is not required. However, it is your responsibility to know when and where you play!

### Eligibility

- CSI Singles divisions are open to male and female players rated 720 or lower at the time of registration.
- All players must be either league-qualified or a CSI member.

- **League-Qualified:** current member of a BCA Pool League or USA Pool League at the time of registration and has played a minimum of eight (8) full scheduled weeks in a single division session during the 2019 calendar year (Jan 1 – Dec 31, 2019).

## Individual Rating Increases

There is a 10-point individual rating cushion. If a person is rated 720 or lower at the time of registration but his or her rating naturally increases above 730, he or she will have the following options:

Option 1: Drop out of the division and receive a refund (minus admin & processing fees)

Option 2: Play and accept a one-game penalty in each match for every 25 points over 730

**Example:** A player had a rating of 717 at the time of registration but it naturally increases to 735 (5 pts. over the cushion), he will incur a one-game penalty in each match. If his rating naturally increases to 758 (28 pts. over the cushion), he will incur a two-game penalty in each match.
