NEW FOR THIS YEAR

Revised eligibility requirements

Due to the COVID-19 pandemic and the difficulty it has placed on our leagues, the minimum eligibility requirements have been revised. To be eligible, players must meet both of the following criteria:

- Play at least **four (4) weeks** in a single division session **between Jan 1 and Dec 31, 2021**
and
- Remain active in the USA Pool League in 2022 (play at least two weeks between January 1 and March 1, 2022)

Original Player Requirement

An "original player" is defined as someone who has played at least four (4) weeks with the team in the final session of the calendar year (typically the fall session). Teams are required to have a minimum of two (2) original players and at least two (2) sets of the lineup must include original players.

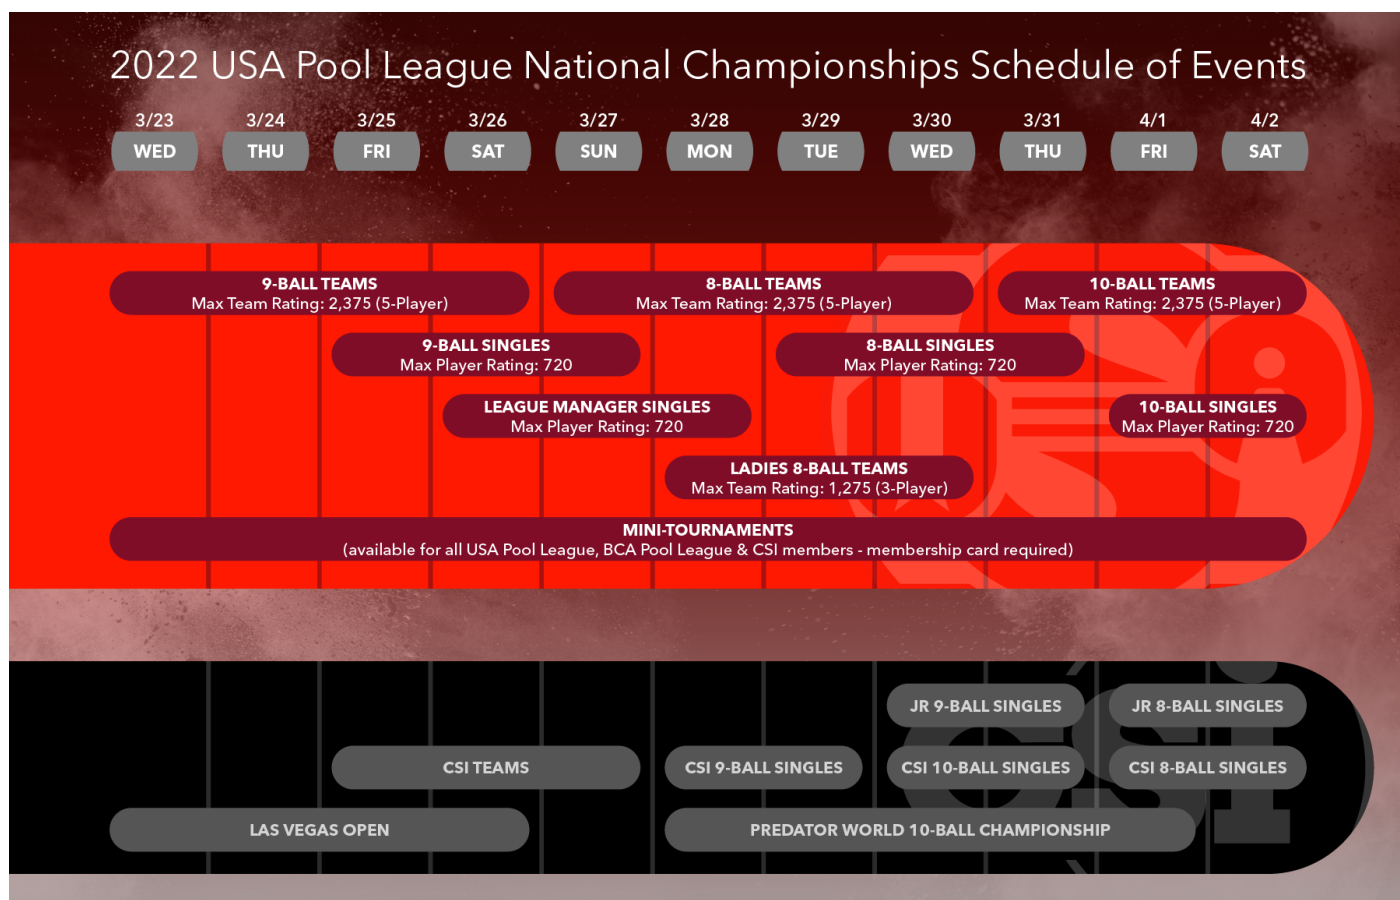

Pro Events Return

Predator and CueSports International (CSI) are excited to announce the return of the \$100k added Predator World 10-Ball Championship and the \$25k added US Pro Billiard Series - Las Vegas Open during the USA Pool League National Championships. These events have become two of the most anticipated pro events in the world and you will get to enjoy them in person for free in the CSI Arena.

CSI 8-Ball Teams division returns

For those who don't have the opportunity to join a USA Pool League, especially teams from other leagues such as VNEA, ACS, TAP, APA, etc., we have added the CSI 8-Ball Teams division. Although players must be CSI members (\$40/year), the entry fee is greater than the USA Pool League divisions and there is no added money, this division does allow everyone to experience team play at the CueSports International Expo.

SCHEDULE OF EVENTS

GENERAL INFO

The purpose of this document is to provide the necessary information about the event so you can decide which divisions to compete in and how to register. This document is not intended to convey the procedures that must be followed during the event. For that info, please refer to the Tournament Regulations.

Important Dates

Jan 17: Last day for early entry discount

Feb 14: Last day for mailed entries & personal checks

Feb 21: Last day to register (most divisions)

Feb 28: Last day for refund requests

March 4: Last day for change requests & TBA names

March 4: Last day for hotel discount

Refunds & Changes

Refund requests must be received in writing by email, fax or postal mail by Feb 28, 2022, and will be processed after April 11, 2022. Admin fees are non-refundable and an additional \$20 processing fee applies to each entry refunded. Change requests must be received by March 4, 2022, and a \$20/player processing fee applies to each change.

COVID-19 Safety Rules & Regulations

Although it is impossible to predict what COVID-19 restrictions may be in place at the time of the event, players should be prepared to adhere to all safety rules & regulations put into place by CueSports International, the Rio All-Suite Hotel & Casino, Nevada state government or local ordinances. Face coverings, social distancing and temperature checks are just a few examples of possible safety precautions that could be in effect. Players accept this when they register and refusal to follow safety rules and regulations is not sufficient justification for a refund.

Event Fees

Admin fees help cover the cost of processing registrations, verifying eligibility, verifying ratings, etc. Late registrations create a backlog, require extra personnel and increase costs. On-site registrations require extra event staff and even more costs. Because admin fees are consumed during the registration process, they are non-refundable. Admin fees are included in the entry fees and are as follows:

DIVISION TYPE	EARLY ENTRY (by Jan 17)	LATE ENTRY (Jan 18-Feb 21)	ON-SITE ENTRY
SINGLES	\$25	additional \$25	additional \$25
TEAMS	\$20/core player	additional \$20/core player	additional \$20/core player
JUNIORS	\$20	additional \$10	additional \$10

Green fees help cover the cost of the venue, equipment, staff, set-up, tear-down, etc. Green fees are refundable if a written refund request is submitted prior to the refund request deadline. Green fees are included in the entry fees and are as follows:

DIVISION TYPE	EARLY ENTRY (by Jan 17)	LATE ENTRY (Jan 18-Feb 21)	ON-SITE ENTRY
SINGLES	\$25	\$25	\$25
TEAMS	\$20/core player	\$20/core player	\$20/core player

Change fees help cover the cost of processing changes such as removing players from teams, adding players to teams, verifying the eligibility of new players, verifying the ratings of new players, etc. The change fee is \$20/change. We encourage you to be confident about your registration before submitting it to avoid change fees.

Digital Membership Card & Valid Photo ID Required

All participants must have their digital membership card and valid Government-issued photo ID and present it to all opposing players, teams or staff upon request. Your digital membership card can be found in your personal profile on the [FargoRate mobile app](#) which can be downloaded free for Android and Apple devices. Physical cards are no longer produced so please download the FargoRate app and have your digital membership card ready to show upon request. **Failure to show your digital membership card and valid Government-issued photo ID can result in automatic disqualification and forfeiture of entry fees and prize money.**

Hotel Discount - Rio All-Suite Hotel & Casino

Book by March 4, 2022, to receive the special group rate of \$90/\$149. **No resort fees. No parking fees.**

Dress Code

All events will follow Dress Code A (See the Tournament Regulations) unless otherwise specified.

Fargo Ratings

FargoRate has replaced the outdated systems of subjectively classifying players as Open-Advanced-Master, A-B-C, 3-4-5, etc. Players with at least 200 games of data in the FargoRate system have an established rating. Those with fewer than 200 games have a preliminary rating based on any data in the FargoRate system and a starter rating assigned by the USA Pool League.

Example: John has a Fargo Rating of 593 based on just 50 games. He was assigned a starter rating of 560 by the USA Pool League. John's preliminary rating would be calculated by a proportional combination of the two numbers $(593 \times 25\%) + (560 \times 75\%)$. Therefore, John's preliminary rating would be 568. Starter ratings may be adjusted by the USA Pool League at any time.

Rating Reviews

We carefully review the ratings of all players who register. This process takes time and **we reserve the right to adjust starter ratings and correct errors at any time.** To avoid late rating issues, we encourage you to register early and make sure your rating and your teammate's ratings reflect actual skill level. **Any type of rating correction is not grounds for a refund.**

Please Note: You may register anytime. There is no need to wait until you actually reach the minimum weeks of play requirement to register. So please, **REGISTER EARLY.**

Rating Penalties

If any adjustments to starter ratings push a team over the maximum rating limit, the team will be assessed one penalty point for each point over the limit.

Don't Get Disqualified

We take player ratings very seriously. A player who intentionally enters an event with a rating that is too low for his or her ability, is cheating. Be aware that we have tools in place to monitor players who are consistently and significantly performing above their rating during the event. We reserve the right to disqualify any player without refund. **Don't get disqualified. If you believe you are underrated, contact the USA Pool League prior to the registration deadline.**

Ladies Events

While a Ladies Team division is offered, FargoRate and the USA Pool League Handicap System provides the opportunity for ladies to compete on a level playing field against men. A lady rated 450 plays at the same level as a man rated 450. Therefore, ladies are welcomed and encouraged to participate in the other divisions.

Verify Your Registration!

The complete list of players can be found near the bottom of the official event webpage. All upcoming events can be found at www.playcsipool.com/events.

If you have already registered for the event, please verify that your name appears in the "Awesome Participants" list in every division for which you registered. Technical glitches can happen and **it's your responsibility to confirm your registration(s)** at least three weeks prior to the event. If you are not on the participant list and you fail to notify us at least three weeks prior to the event, we may not be able to accommodate you. If your name does appear on the list, it's a good idea to take a screenshot and keep it with you as back-up if needed. It is not helpful to show up at the Tournament Desk and simply say that your name was previously on the list.

Start Times & Format

Divisions may begin as early as 9am on the dates listed. However, various factors could delay start times and a delayed start is not grounds for a refund. Always check the tournament brackets at www.ctsondemand.com for the exact start time of your match or ask the Tournament Director. All divisions are shorter races and true double elimination format unless otherwise noted.

Plan Your Travel Carefully

We encourage you to allow plenty of time before and after the event for travel. The USA Pool League is not responsible for airline delays, lost luggage, traffic jams or any other travel-related issue that could cause you to miss your match and be forfeited. Matches are not delayed or accelerated to accommodate travel issues. Therefore, you are advised to arrive no later than the day before your division(s) begin and leave no sooner than the day after the event ends.

How to Avoid Forfeits

Each year, people forfeit matches because they do not follow the correct procedures. Matches are not announced at the event and there may be occasions when your table is not available at the scheduled time because earlier matches are running late. You are responsible to be at your assigned table when it becomes available. Please review Appendix A – Using CTS (CueSports Tournament System) and the Tournament Regulations. These documents detail the process of avoiding forfeits. If you still need help, please ask the

Tournament Director. Being forfeited as a result of not following the correct procedures (see the Golden Rule below) is not grounds for a refund or a credit.

Golden Rule: If you are at your assigned table at the scheduled match time and do not leave, you cannot be forfeited.

Match Conflicts

You may want to play in as many divisions as possible to get the most out of the experience. Therefore, participants are free to register for divisions that overlap. However, the USA Pool League is only able to schedule around select overlapping divisions as noted in the table below. If match conflicts occur that are not specified in the second column below, the player or team must forfeit one of the conflicting matches without refund.

TEAMS

Team Check-In & Rosters

Team check-in **is required** and begins at 4pm, Tuesday, March 22, 2022. The Team Captain or League Manager is responsible to check-in teams at the USA Pool League Registration Desk and obtain official team rosters. Teams must present their official team roster and Government-issued photo IDs to all opponents to confirm ratings and identify which players are original players. Team Captains are responsible for team rosters and there is a \$10 charge for reprinting them.

 - Non-original players must have played four (4) weeks with the same exact team entered in the tournament during a single division session during 2021.

Once a table is available, the team putting up the first player must name that player within two (2) minutes of the previous set's conclusion. Once that player has been named, the opponent must name their player within two (2) minutes. Both players have five (5) minutes to report to the table after being named. If teams do not name players in a timely manner, they run the risk of forfeiting that set.
