

FOR IMMEDIATE RELEASE:

BCAPL National Championships Deadline Extended

CueSports International, Henderson, NV (June 28, 2016) – To align with the hotel reservation deadline, CueSports International (CSI) has extended the online, fax and email registration deadline for the 40th BCAPL National Championships to Friday, July 1. Online entries are processed automatically and we are still manually processing entries received by mail, so the extension won't cause a disruption. However, the extension applies only to online registration, faxed and emailed entries paid by credit card.

Reduced Room Rates

The Rio All-Suite Hotel & Casino has special group rates and players who book using the Group code **SRCUE6** by Friday, July 1 won't pay resort fees. For online reservations, [click here](#).

Anyone Can Play
